Subject: Almost Final Dimock Fact Sheet

Good Morning -

Attached is the almost final language for the Fact Sheet, pending one final HQ review. With that being said, can someone please replace the Emergency Response Logo with another one of the EPA Logos? I am computer literate, but see that it's embedded and I can't tweak it. If someone could do that and send it back to me, so Shawn can send it to HQ right away that would be so help!
